Scores for each bracket and division will be posted on the leaders board at the conclusion of each shift. Handicap will be applied throughout tournament for Handicap Division bowlers. Averages based on 2021-2022 fall season. Those without a 2021-2022 fall average will use their highest 2022-2023 fall average with a minimum 28 games. Handicap is 100% of 200. Any bowler may compete in the Scratch Division regardless of average, however, they will not receive any handicap during qualifying or finals. The top 5 high series in each division after the 5pm shift Saturday January 7<sup>th</sup> will advance to the finals on January 8<sup>th</sup>, 2023 at 10am. The 6<sup>th</sup> and final spot (wildcard) in each division is determined by the bowler with the most accumulative pin count for all squads that did not qualify in the Top 5. This 6<sup>th</sup> bowler also bowls on January 8<sup>th</sup> at 10am.

## SUNDAY FINALS

Scheduled for 10am on January 8<sup>th</sup>, 2023, for all qualifying bowlers. Each division will consist of Round Robin Match-play. Scores will be calculated based on +/- 200 with Handicap format.
